EMPLOYEE INDUCTION

How to submit your feedback

Confirm attendance, rate every presentation and submit your response securely.

BEFORE YOU START

Use your NAMFISA Windows account. Feedback becomes available only after your attendance is marked Present.

Keep your invitation link private because it opens your own induction record.

1 Open your invitation

In the induction email, select **Open induction plan**. If the button does not work, copy the web address from the email into your browser.

2 Sign in securely

Sign in with your NAMFISA Windows account. The system records feedback and sign-off against the authenticated AD ID.

3 Confirm attendance

Open the attendance check-in link and choose **Present**. If HRBP or the presenter already confirmed you as present, continue to the next step.

4 Open the feedback form

On your induction overview, find **Feedback and training** and select **Open feedback form**. You may also select **Continue to feedback** after checking in.

5 Complete every question

Rate each divisional presentation from 1 to 5. Then rate the programme, answer the time-allocation question, and describe the most valuable aspect and recommended improvements.

6 Review and submit once

Check that every presentation has a rating, then select **Submit feedback**. A confirmation page appears after submission. Responses cannot be submitted twice.

PRESENTATION RATING SCALE

1 Poor **2 Fair** **3 Good** **4 Very good** **5 Excellent**
